9. Tender processing fee	**Refer KPPP website**
10. Earnest Money Deposit	**Rs. 36,500/-**
11. Price Bid	The Bidders shall quote only the percentage above or

	below or equal to the Schedule of material / labour charge rate for the said work in the Price Schedule of the KPP portal.
12. Quantity:	11kV 3x240sqmm XLPE UG Cable– 0.900 Kms,

1.1 PROJECT DESCRIPTION:

This project envisages to improve the following issues:

- Reducing the interruptions and to improve reliability.
- Improving quality of Power Supply in the areas.
- To bestow safe environment of working.
- To reduce the length of trunk line there by reducing the technical losses.
- To Reduce Accidents.

1.2 NATURE OF WORKS:

The salient features of the works include, but not limited to, the following:

- Providing link line for load bifurcation wherever necessary.
- Replacement of HT Overhead lines by HTUG cable wherever necessary.
- Replacement of existing LT OH line by LT AB cable wherever necessary.
- Strengthening of existing network by providing LTD boxes, wherever necessary.
- Providing of DAS/Compact RMU's wherever required wherever necessary.

1.3 PROJECT BENEFITS:

As the feeders supplying electricity to to DF-10 Chunchanakuppe feeder having peak load 260 amps with rabbit conductor of Tavarekere sub-division of Magadi Division are overloaded, there are frequent power outages in the feeders causing problems to consumers and loss of revenue. Thus, in order to provide reliable power supply to the esteemed consumers and to create a safe environment, it is felt desirable to invite tenders to execute the proposed works. The advantages are as follows:

- Prevention of Transmission/Distribution losses leading to saving of electrical energy. Alternative system of power supply by providing link lines.
- Prevention of Transformer failures.
- Prevention of accidents by collapse of Poles due to overburden.
- Improvement in reliability and quality of power supply due to reduction in duration of power interruption.
- Reduction in number of electrical accidents, trouble caused by foreign objects coming into contact with live wires and prevention of accidents due to natural calamities like wind, rain, storm etc.
- To avoid unexpected damages in media carrying live electrical wire.
- Prevention of damage to electrical equipment due to heavy current during short circuit faults.
- Low maintenance cost and reduced voltage variations caused by overhead lines to provide high quality power supply.
- Better quality and reliability of power supply to the consumers.
- The works can be taken up immediately after the finalization of the budget for the financial year.
- Duplication of works such as inviting, processing and awarding tenders for each individual work in a Division is completely avoided.
- Monitoring of the works becomes simple and easier.
- There will be drastic reduction in power supply interruptions caused due to natural calamities thereby reducing duration of interruption period.
- Revenue to BESCOM increases as interruptions reduces.

1.4 SCOPE OF WORK:

The Scope of the work under this tender is **For Evacuation of new 11 KV line from Donnehahalli MUSS to Chunchanakuppe village for load bifurcation from DF-10 Chunchanakuppe feeder to new feeder in Chandrappa circle section of Tavarekere sub division.on item wise fixed price Rate Contract for a period of Six months under Partial Turnkey Basis** which includes Design, Engineering, Manufacturing, Testing, Supply on FOR Destination to Site basis, Transportation, Insurance,

Storage, Handling and moving into the final position, Erection, Testing at Site and Commissioning including Civil works.

The salient features of the scope include, but not limited to the following:

- Providing link line for load bifurcation using HTOH/ UG Cable wherever necessary.
- Providing of Compact RMU's/ODs wherever required.

a) All the released materials shall be returned to the respective Divisional/Central Stores.

b) The Successful Bidder needs to prepare the site survey report and BOQ (Bill of Quantities) based on the estimation prepared by the Engineer in charge.

c) **BESCOM shall validate, verify and approve the estimate prepared for the work and Bill of Quantity (BOQ)**

d) Based on the approved estimate and finalized BOQ, the Successful Bidder shall source the materials as per BESCOM Technical Specification from the BESCOM approved vendor and carry out the work. **If any discrepancy is noticed in approved estimates/sketches or deviation of line route if found necessary at the time of execution due to various reasons, shall be executed as per the instructions from the Engineer-in-charge.**

e) Construction Environmental, Health & safety plan as per standards shall be followed.

f) Preparation of foundation drawings for RMUs, etc., Cable Laying drawings, drawings & GTP of all the equipment's/materials to be supplied as per standard specifications shall be submitted by the successful Bidder for approval from the competent authorities of BESCOM.

g) Design the method of laying U.G. Cables, cable laying using HDD method or open trench, excavation and back-filling of cable trench, supply and installation of associated materials like sand, bricks, warning tape, protective slabs, pipes, ducts, civil works, etc.,

h) The successful Bidder shall procure and supply all the materials from the BESCOM approved vendors as per IS/IEC/BESCOM approved specifications.

i) While laying UG Cable in open trench prevailing standards shall be followed.

j) Back filling on public, private roads, National Highway/railway crossings, and foot paths shall be performed immediately after laying the UG cable, wherever necessary. Back filling at such locations shall be thoroughly rammed, so as to ensure original condition & made safe to traffic. All excess soil/material left out on road/footpath/railway/ National Highway crossing shall be removed.

k) Any injury or loss to the life of human being/animals or damages to any Government/private property during the execution of work shall be on the account of successful Bidder and has to make good the damages. Claims arising out of injury or loss to the life or damages shall have to be borne and settled by the successful Bidder.

l) It is the responsibility of the successful Bidder to carry out work in safe manner and at most utilization of safety equipment's.

m) The successful Bidder has to abide by the prevailing standard safety policy.

n) The Working area shall be barricaded properly. This is required for the safety of the traffic and the pedestrians. The successful Bidder shall be the responsible for any mishap which may occur on account of its not taking necessary precautionary measures. The barricades shall be fixed at work place before execution of the work. Required information regarding the work as specified shall be written on these barricading sheets.

o) All the materials shall be supplied by the awarded agency in accordance to the requirement of the work from time to time.

p) The payment will be made only for the quantity used as certified by the concerned Field Engineer of BESCOM.

q) All necessary approvals of the concerned authorities are to be obtained before execution of the works by the successful Bidder and necessary assistance will be rendered by the owner.

r) The civic/national highways/traffic /defense authorities /Railway/ Telephones/Water supply/Electrical Inspectorate /City Corporation / Town Municipalities and other local administrative authorities etc., charge as per their standard schedules / rates which will be intimated by them from time to time for grant of permission/approvals for trenching/laying pipes/laying cables/commissioning of the cable & other Equipment's etc., shall be paid by the successful Bidder. These charges are reimbursable by the BESCOM as per actuals, on production of valid vouchers and which will not to be included in the total Contract value.

s) Restoration of the surface to the original condition as per the requirements of the concerned authorities is also included in the scope of the work.

t) The equipment's / materials supplied by the successful agency should be guaranteed for satisfactory performance as per the Guarantee Clause 15 of Section GCC.

u) Design, Engineering, Manufacture, Factory Testing, Supply on FOR Destination to Site basis, Transportation, Insurance, Unloading, Storing, Handling and moving into the final position, Erection, Testing, Commissioning and putting the Equipment into Successful Commercial operation of the proposed work including associated Structural and Civil Works.

v) All the equipment's / materials to be supplied should have been type tested as per BESCOM specification / relevant IS/IEC Standards and the type test certificates should not be older than 5/10 years on the date of supply.

w) The estimates shall be prepared in most economical and safe way of executing the works as per the prevailing standards and any deviation from the standard practice; necessary approval from competent authority is to be obtained.

1.5 Rates for awarding the Contract:

i) BESCOM has invited the bid under percentage quoting basis on the BESCOM Schedule of Rates 2023-24.

ii) The Individual Material Schedule of Rate means the material rate as per the SR 2023-24+Area Specific Loading.

iii) The Individual labour charge Schedule of Rate means the labour charge rate as per the SR 2023-24 + Area Specific Loading.

iv) The Bidders shall quote only the percentage above or below or equal to the individual Schedule of material / labour charge for the said work in the KPP portal of the respective enquiry Price Schedule.

v) While awarding the Contract to the successful agency, the approved percentage above or below or equal to the individual material schedule of rate / individual labour charge schedule of rate, will be uniformly applied on the individual material schedule of rate / individual labour charge schedule of rate to arrive the unit FORD Price / labour item rate and based on these prices, the individual work awards / orders will be issued by the concerned C, O&M Executive Engineers. However, the total cost of the contract is awarded at the approved percentage on the amount put to tender for six months.

vi) Any other material/labour rate required for completion of Electrical and/or civil works, which are not included in the item rate of price schedule but required to complete the work shall be carried out by the successful Agency on recommendation of the Engineer-in-charge as well as approval from the competent authority as stated in (ii) & (iii) + approved tender premium and shall be considered to be included in the scope of the work. If the SR rate is not available, then mutually agreed rate shall be considered.

vii) The quantities mentioned in the price schedule are unit basis and to be procured/executed by the successful contractor based on the approval of the estimate & BOQ valued at the rates approved by the BESCOM as per the terms and conditions of the contract. Any increase or decrease in the quantities of DWA, the Bidders shall supply/execute the contract at the same rates, terms and conditions of the contract.

viii) The work awards/orders will be issued by the concerned Executive Engineer of the Division, BESCOM, on work priority basis duly specifying the quantum of works to be executed against the individual work award/orders at the approved unit cost of equipment's/materials as per the terms and conditions of the Contract and in line with the estimate prepared by the Assistant Engineer / Section Officer, which is approved by the Competent Authorities of BESCOM. Individual work order will be issued to the successful agency by the Executive Engineer (Ele.,) of respective C,O&M Division.

Further, BESCOM reserves the right to reject any or all the Bids without assigning any reasons thereof and shall bear no liability whatsoever consequent upon such a decision.

The Bidder is required to ensure browser compatibility of the computer well in advance to the last date and time for receipt of tenders. The department shall not be responsible for non-accessibility of KPP portal due to internet connectivity issues and technical glitches.

11.0 QUALIFYING REQUIREMENTS:

The essential minimum qualifying requirements are as under:

Sl. No	Qualifying Requirements	Documents to be uploaded
1	The Bidder should be in existence as any of the following: a) **Company incorporated in India under the Companies Act, 1956/2013** including any amendment thereto; b) **LLP incorporated in India under the Limited Liability Partnership (LLP) Act, 2008** including any amendment thereto; c) **Partnership Firm** under Partnership Act, 1932 in India; d) **Sole Proprietorship** Concern	1) Certificate of Incorporation issued by Registrar of Companies as per Companies Act 1956/2013 along with Memorandum of Association and Articles of Association of the Company. 2) Declaration from Directors of the Company in MBP-1 Form, stating that they are not disqualified to be a Director of the Company along with the list of Companies in which they are Directors as on the date of inviting tender (s). 3) Certification of Incorporation

		issued by Registrar of Companies as per LLP Act 2008. 4) Limited Liability Partnership Agreement of LLP. 5) Partnership Deed, GST Registration Certificate. 6) Shops & Establishment Registration Certificate, as applicable. 7) PAN/GST Registration Certificate
2	Bidders who meet the above-specified minimum qualifying criteria, **will only be qualified, if their available tender capacity is more than the total tender value**. The available tender capacity will be calculated as under: Assessed available tender capacity = (A*N*5 - B) **Where,** A = Maximum value of works executed in any one year during the last five years (i.e., from FY 2020-21 to FY 2024-25) (updated to FY 2025-26 price level) taking into account the completed as well as works in progress. N = Number of years prescribed for completion of the works for which tenders are invited. i.e, N=0.5. B = Value, at FY-2025-26 price level, of existing commitments and on-going works to be completed during the 6 months.	Copy of the **statement of total value executed and payment received in the last five years (FY 2020-21 to FY 2024-25)** as per the format in the bid document **duly certified by the Chartered Account along with affixing the UDIN** shall be uploaded**.** Copy of the statements showing the **value of existing commitments and on-going works** as well as the stipulated period of completion remaining for each of the works as per the format prescribed in the bid document. The statement shall be certified by the Employer in charge, not below the rank of an Executive Engineer or equivalent of the concerned utility shall be uploaded.
3	Even though the Bidders meet the above criteria, they are subject to be disqualified if they have:	**Copy of the self-declaration on notarized stamp paper of Rs.500/-** as per the format in the

	i) made misleading or false representations in the forms, statements and attachments submitted in proof of the qualification requirements; and/or ii) record of poor performance such as abandoning the works, not properly completing the contract, inordinate delays in completion, litigation history, or financial failures etc.; and/or iii) Participated in the previous Tender for the same work and had quoted unreasonably high tender prices and could not furnish rational justification. and/or iv) Blacklisted due to non-performance in execution of works by any ESCOM's/ Govt. departments including Public sector undertakings (PSU's) as on date of bid submission. and/or v) Defaulted/short closed due to non-performance in execution of works against the order placed by any ESCOM's/ Govt. departments including Public sector undertakings (PSU's) as on date of bid submission. and/or vi) The information with regard to the assessment of the available tender capacity furnished is correct.	bid document shall be uploaded. **The self-declaration shall clearly indicate the tender enquiry number and date on which declaration is done.**
4	Any Bidder from a country, which shares a land with India, will be eligible to bid in this tender only if the Bidder is registered with the Competent Authority. (As per	**Copy of the self-declaration on notarized stamp paper of Rs.500/-** as per the format in the bid document shall be uploaded.

	Government Order No. FD 455 Exp-12/2020 dated 25.08.2020.) A certificate for having read the clauses is required to be submitted/uploaded by the Bidder separately in the following format. ***"I have read the clause regarding restrictions on procurement from a Bidder of a country, which shares a land border with India. I certify that this Bidder is not from such a country or, if from such a country, has been registered with the Competent Authority. I hereby certify that this Bidder fulfills all requirements in this regard and is eligible to be considered. (Where applicable, evidence of valid registration by the Competent Authority shall be attached.)"***	If the Bidder from a country which shares a land with India, Registration certificate issued by the competent authority shall be uploaded. **The self-declaration shall clearly indicate the tender enquiry number and date on which declaration is done.**
5	The bidder should upload valid original scanned copy of 1) ESI registration, 2) EPF registration number, 3) PAN and 4) GST registration issued by the respective competent authorities of the concerned department.	Upload valid original scanned copies
6	The bidder should upload original scanned copy of Registration Certificate of Establishment _FORM C (Labour License) issued by the respective competent authorities of the Labour department.	Upload valid Form 'C' certificate
7	The bidder should upload the valid Class-1/ Super grade Electrical Contractor's License issued by the Chief Electrical Inspectorate,	Valid Class-1/ Super grade Electrical Contractor's License issued by the competent authorities of the respective State

	Government of Karnataka or Valid Electrical license issued by the competent authorities of the respective State Government.	Government.

11.4 GENERAL CONDITIONS:

If the information furnished by the Bidder / Bidders found to be false at any stage of tendering / execution, then the BESCOM will take action against such Bidder / Bidders. If false information is found at the Tendering stage BESCOM will forfeit the EMD paid, disqualify the offer of such Bidder and Black list the Firm. If false information is found at execution stage, then BESCOM will cancel the works awarded, forfeit the Bank Guarantee furnished against the performance of the contract, Black list the Firm, besides initiating action for recovery of excess money paid by BESCOM if any after getting the works executed from other contractors, levy liquidated damages etc.,

12.0 QUALIFYING REQUIREMENT OF MANUFACTURER OF EQUIPMENTS / MATERIALS TO BE SUPPLIED BY THE CONTRACTOR:

a) **The successful Bidder shall procure and supply all the materials under the scope of the contract from the BESCOM approved vendors as per IS/IEC/BESCOM specifications.**
Present list of approved vendors for various materials/ Equipments are available in the BESCOM website.
Website – www.bescom.org, with hyperlink: Quality standards and safety ⟹ vendors ⟹ List of vendors.

(OR)

b) **In case successful Bidder desires to procure any Equipments/Materials from any Vendors other than the Approved Vendors of BESCOM, then such vendor has to get vendor approval from BESCOM. The criteria for vendor approval are uploaded in the BESCOM website**.
Website – www.bescom.org, with hyperlink: Quality standards and safety ⟹ vendors ⟹ Procedure ⟹ New Vendors.

c) **Project specific vendor approval will not be entertained**. Only in cases where approved vendors are not available for any specific material/ equipment, then request for project specific vendor approval will be considered in which case successful Bidder desiring to procure any Equipments/Materials from such Sub Vendors, shall furnish all the Credentials such as Type test Certificates, details of Past Supplies, Performance Certificates from the End Users etc as required as per **criteria for vendor approval uploaded in the BESCOM website** to this office for examination and to convey the necessary competent approval.

d) The requisition letter of **"inspection call"** from successful Bidder shall be submitted to the office of **Superintending Engineer, (Ele.,) Ramanagara Circle, BESCOM, ,** 10 days advance notice in writing the date and place at which the materials will be ready for testing/inspection.

13.0 CONTRACT PERIOD:

13.1 The Item Wise Fixed Price Contract is valid for a period of **Six** months from the date issue of Contract Award.

13.2 **COMMISSIONING PERIOD:** Even though the item wise Contract is valid for a period of Six months from the date issue of award, the Commissioning period for each of the individual works will be indicated in the individual award/order by the concerned Executive Engineer and entire assigned work shall be completed and commissioned in all aspects within time period indicated in the individual award / order INCLUDING MONSOON PERIOD.

14.0 MODE OF AWARDING:

14.1 The **concerned Executive Engineer (Ele.,) of the C, O&M Division will issue necessary Work Orders on priority wise for individual works** at the **approved unit rate** as per the terms and conditions of the Contract with duly indicating the period of completion for each work award/orders.

15.0 Before Bidding for the above works, the Bidder shall fully familiarize himself with the site conditions and general arrangements, etc. though the

BESCOM shall endeavor to provide the information, it shall not be binding for BESCOM to provide the same. The Bidders are advised to visit the Site and acquaint themselves with the Topography, infrastructure, Soil conditions and Design Philosophy. The Bidders shall be fully responsible for providing all Equipment's, Materials, System and Services specified in their Scope or otherwise which are required to complete the Construction and successful Commissioning of the work in all respects in this Tender. Non-familiarity with the site conditions will not be considered for extra Claims and for not carrying out the Work in strict conformity with Drawings and Specifications.

16.0 Notwithstanding anything stated above or elsewhere in the Tender specifications, BESCOM reserves right to assess the Capability/ suitability of the Bidder to execute the overall Contract if the circumstances warrant such assessment in the overall interest of BESCOM.

17.0 BESCOM reserves the right to cancel or withdraw the bid at any juncture without assigning any reason for such decision. Such decision will not incur any liability whatsoever on the part of BESCOM consequently.
